## Royal Blue Lagoon

Thank you for your kind interest in our small, family owned resort. Due to our excellent location, we are able to offer you a truly secluded and relaxing tropical vacation. Since we are found on the northern peninsula of Lamai Bay, we have a pleasant cushion from the overwhelming noise and excitement of Lamai center, and we are also distant from the large disco bars of Chaweng.

Our resort is positioned on three acres of land sloping down to our private white sand beach. From our View Point Restaurant, the Moonlight Terrace, and above the pool we have the most remarkable panoramic view of Lamai Bay and the open ocean.

At the Royal Blue Lagoon we have designed our resort to form to the natural setting of the land. In order to do so, we have built only 18 Thai-style princess suite bungalows on our expansive 8 Rai (approximately 4 acres) of land, which allows our guests a completely open, relaxed, and peaceful atmosphere. Also, since the Royal Blue Lagoon is a small boutique resort without an unsightly hotel unit we can offer more personal service and can cater to your every need. In addition, all of our bungalows are within sixty meters from the ocean edge and all have a sea view from their front picture window, their side picture window, or their private side porch.

Besides the beautiful natural setting surrounding our bungalows, you will be pleased to know that our bungalows are tastefully decorated with Thai antiques, and have such amenities as teak wood floors, private bathroom with hot and cold water, air-conditioning, mini-bar, queen size bed, single bed, and a porch overlooking the ocean.

### Home style Thai cooking :

Our chefs have ample experience in the world-renowned art of Thai cooking. We specialize in traditional Thai dishes and freshly caught seafood cooked to order (BBQ grilled, sautéed in garlic pepper, sautéed in Indian curry, deep fried with sam rod sauce, among others) served in our romantic oceanfront restaurant overlooking Lamai Bay. And, since our resort faces west, you can plan on enjoying either wine from our international selection or tropical fruit cocktails while viewing the most beautiful of sunsets.

### Tours & Services :

We can also offer you quality tours such as scuba diving & snorkeling (with the best serviced Easy Divers), elephant trekking, deep sea fishing, around the Island tour, National Marine Park tour, trips to Koh Tao & Nangyuan; and services such as traditional Thai massage (from our 70 year old, blind masseuse), Aroka SPA, motorcycle rentals, jeep rentals, health spa & bath, laundry, and overseas telephone & fax.
